

Watcha Doin' Tonight (sam's Calling)

Royal Crown Revue

Hey baby, whatcha doin' tonight
I hope I called when it's alright
Well I've got this certain case of blues
And if I see you're shining face
I know it will diffuse

Hey baby, how's about a cruise
We can go any place you choose
I heard Mulholland's fine
We'll dig the view and drink some wine
So hey, whatcha doin' tonight

So baby, tell me whatcha say
If you say no, then that's okay
You know I'd sell my house
Just to catch you, ya cute little mouse
So hey, whatcha doin' tonight

You know I'd pawn my threads
Just to get you baby right in my bed
So hey, whatcha doin' tonight
Whatcha doin' tonight
