I want it all no question
Queens terrorism, at his best when I wear my vest and
Desert Eagle, inferred for protection
Interceptin, your collection, when I'm makin' section
Nigga listen, I brake ya ass into submission
Professionalist, specializin' in this
Hennessey wit a twist, another nigga miss
Gone in the abyss, fuckin wit the fish
Scratch him off the list
Automatic trey pound seven in my fist, get ya wig split
Green Eyes rise, Flushing, Queens, 'Lanz Enterprise
Wise got shine, forever brightly
Gats forever held tightly, this fight be (don't take us lightly)

Now stoned be the way Quaz' walk, reppin' New York
For outlinin' criminal bodies wit white chalk
Wildin' these streets, I'm playin' for keeps, avoidin the beast
To keep play the cemetery body, capisce
The hashish, made me unleash, six through his dome piece
And that's just to say the least
But quote for quote, more dough choke throats like inhale smoke
Forever ready like nine volt, batteries
Lost casualties, ricochet through ya anatomy
Another tragedy, wit my family cause catastrophe
From Queens them Kings call me ya majesty
Drama has to be, my hostile days, from outta, puff lies
These high roller somethin', before my shots'll start pumpin'

6-3 Thug, blow a nigga like drought Some say my lifestyle, need to be change Scramble and foul, two hundred ten pound Take nickel plate, who hold the weight now Leave you hear, bouncin the whip, I'm sippin' Cristal All thunked out, bent in the streets wit my pistol My rhyme noters, rippin' ya meat, for beef I hold it down Fuckin' wit the wrong cat, to many gats black Phenom never suffer set back, I blast off just like a jet pack To crack the barrel, Pacino through over dowel Just get a title, find ya life blazin' in the saddle Knowin half the battle was just a Queens soldier story And fuckin wit niggas unless you asset to all for me Spotted the code, with five seconds to explode Escape wit the scroll, my family gun ho Five hundred mellows, crackin serafino Ropin casinos, but seenin a man, wit gun totin, chico That organize extortion like the Godfather sequel To open eyes to all evils that peoples Mainly maintain to do, shittin' where I'm through Fuck's not given when I'm rippin through Who is you? I can see fast and blast past ya faggot attitude

Off top, the Remi had me bent dizzy and shit
Drunk like a Mexican, clap wit ya Fam wit Smith and Wesson's
Rip, heavy wit shine, diamond flexin'
Spot lock for possession, welcome to the real world
Taught 'em why I hate this (We don't a fuck who it is)
Stop the bullshit, I quarantee you get hit, by Psycho Kiz

1996 to the year I quit, nothin happenin'
Fuck the yappin', and start clappin'
All these savages movin' backwards, splittin' they wigs
Smashin 'em, shootin 'em, red rum for everyone
Fuck a key, Queens niggas move in tons
The real number ones, for the chest, ice fish still on the run

My desert needs a high rise, fuckin' wit these wise guys Can you recognize, Desert Storm, 'Lanz Enterprise Smile like Einstein, jury drip, guns combine You don't want mine, gotta fight this all in one time Plus ya override, bustin straight, you bustin' the sky I know you scared while I'm lookin' at the devil inside Rollin dice like my weapon, hold the four and a five And a cold and hard where I was born from the start Here to play a part, smokin' weed and sellin' the dark And watchin out for NARCS, Flush and entourage in charge And surround the espionage, we all livin' large
