No Milk Today (Guitar Radio Mix)

Royal Gigolos

No milk today my love is gone away The bottle stands forlorn a symbol of the dawn No milk today it seems a common sight But people passing by don't know the reason why

How could they know just what this message means The end of all my hopes the end of all my dreams How could they know a palace there had been Behind the door where my love reigned as queen

So there is.. No milk today

No milk today my love is gone away The bottle stands forlorn a symbol of the dawn No milk today it wasn't always so The company was gay we turn'd night into day

But all that's left is a place dark and lonely A terraced house in a mean street back of town Becomes a shrine when I think of you only Just two up to down
