

# Strangers Friends Lovers Strangers

Royal Republic

I know it's over and so do you  
We were together but now we're through  
And I wanna ask you something and I hope that it's alright  
Even though it's over, can I still spend the night?

Why did we become strangers, friends and lovers?  
How did we become such a tragedy?  
Why did we become strangers, friends and lovers and strangers a  
gain?

I remember when you knew me better than I knew myself  
Now it's like you don't know me at all  
Fuck yea, I'mma be some crazy midnight stalker  
Yea I'mma be Tony captain walker

Why did we become strangers, friends and lovers?  
How did we become such a tragedy?  
Why did we become strangers, friends and lovers and strangers a  
gain?

I knew it so well and so did you  
We were together but now we're through  
And I wanna ask you something and I hope that it's alright  
Even though it's over, can I still spend the night?

Why did we become strangers, friends and lovers?  
How did we become such a tragedy?  
Why did we become strangers, friends and lovers?  
How did we become such a tragedy?  
Why did we become strangers, friends and lovers and strangers a  
gain?  
And again and again and again
