

Make A Move

Royal Tailor

Woo!

Mr., good intentions,
So much I wanna do.
My mouth just keeps on running,
But I never follow through.

I heard that true religion,
Is love with hands and feet.
I wanna find my own way,
To reach a world in need.

Yeah.

I've been, captured by the unimportant.
Locked in, and now it's time to break free

There's more to life,
Open my eyes.
Someone is needing You.
So I gotta Make A Move.

What good are words,
When this world hurts.
Real faith will come through.
When I Make A Move.

Ah, oh, oh, oh, oh, oh.
Ah, oh, oh, oh.

Ah, oh, oh, oh, oh, oh.
Ah, oh..

We don't need permission,
To go outside of these doors.
And dream some crazy dream,
No one else has dreamed before.

To show love and compassion.
Where ever way it may be.
To put faith into action,
Do more than just believe.

Oh, Oh, Oh.

We are,
Hope to those who have been broken.
We were,
Made to make a difference, Made to make a difference.

Oh!

There's more to life,
Open my eyes.
Someone is needing You.
So I gotta Make A Move.

What good are words,
When this world hurts.
Real faith will come through.
When I Make A Move.

Ah, oh, oh, oh, oh, oh.
Ah, oh, oh, oh.

Ah, oh, oh, oh, oh, oh.
Ah, oh..

I've been, captured by the unimportant.
Locked in, and now it's time to break free.
Now it's time to break free.

There's more to life,
Open my eyes.
Someone is needing You.
So I gotta Make A Move.

What good are words,
When this world hurts.
Real faith will come through.
When I Make A Move.

Ah, oh, oh, oh, oh, oh.
Ah, oh, oh, oh.

Ah, oh, oh, oh, oh, oh.
Ah, oh, oh, oh.

When I Make A Move.

Ah, oh, oh, oh, oh, oh.
Ah, oh, oh, oh.

Ah, oh, oh, oh, oh, oh.
Ah, oh...
