

## Wish To Paint

Royal Wood

Fiddle-De-De  
Fiddle-De-Dum  
I will not be the sadder one  
Hi-De-Hi  
Hi-De-Ho  
Well there's more to this  
You should know

If I'm the one you wish to paint  
You cannot brush away my mistakes  
If I'm the muse for amusements sake  
Then I will bid farewell

Fiddle-De-De  
Fiddle be done  
I'm no savior  
Just a son  
Hi-De-Hi  
Hi-De-Ho  
If you pray for this  
You should know

If I'm the one you wish to paint  
You cannot brush away my mistakes  
No good will come from measuring up  
This glass just isn't full  
No...

If I'm the one you wish to paint  
Please know I'm a man  
But not a saint  
No good will come from measuring up  
This glass isn't full  
But it's full enough to love  
Love...

If I'm the one you wish to paint  
Please take what I am  
O Eden and snake  
No good will come from measuring up  
This glass isn't full  
But it's full enough to love  
Love...
