

Hello Again

Ruben Studdard

Hello, my love, hello
I just called to say hello

I couldn't sleep at all tonight
And I know it's late
Girl, I couldn't wait
To say

Hello, my love, hello
I just called to let you know

I think about you every night
When I'm here alone
And you're there at home
Hello

Maybe I'm just crazy and I'm the one to blame
But I put my heart above my head
Girl, we've been through it all but you love me just the same
And you're not there I just need to hear

Hello, my love, hello
It's so good to need you so
It's good to love you like I do
And to feel this way
When I hear you say
Hello

I just wanna hear you say
Hello, hello hello hello
I just called to let you know
That I think about you every night
And I know it's late
But baby I couldn't wait to say
Hello
