

# Hello Again

Ruben Studdard

Hello, my love, hello  
I just called to say hello

I couldn't sleep at all tonight  
And I know it's late  
Girl, I couldn't wait  
To say

Hello, my love, hello  
I just called to let you know

I think about you every night  
When I'm here alone  
And you're there at home  
Hello

Maybe I'm just crazy and I'm the one to blame  
But I put my heart above my head  
Girl, we've been through it all but you love me just the same  
And you're not there I just need to hear

Hello, my love, hello  
It's so good to need you so  
It's good to love you like I do  
And to feel this way  
When I hear you say  
Hello

I just wanna hear you say  
Hello, hello hello hello  
I just called to let you know  
That I think about you every night  
And I know it's late  
But baby I couldn't wait to say  
Hello
