

# Restoration

Ruben Studdard

Restore me,  
Restore to me the joy  
[repeat 1x]  
This is my prayer today yeah

[verse 1]  
It reminds me of the prodigal son  
After his righteous livin  
All the evil he had done  
Yet when he returned his father received him home  
Gave him a ring of gold put him on a robe  
Killed the fatted calf gave him somethin he never ever had  
Restoration

[chorus]  
Restoration has finally come  
Been restored back to my place in God  
[repeat 1x]  
What would i know about being restored if i never lost my place  
What would i know about his mercy if i hadn't got out of grace it sor  
t of reminds me of the  
Prodigal son  
After his righteous livin  
All the evil he had done  
Yet when he returned his father received him home  
Gave him a ring of gold put him on a robe  
Killed the fatted calf gave him somethin he never ever had  
Restoration  
[chorus]

[bridge]  
Restore the joy of my salvation  
Give me back my consecration  
Restore the life that i once knew  
I'm giving my life back to you

And we'd just like to say restore me restore the joy  
Restore me restore the joy  
[repeat 3x]  
I'm restored and i'm glad about it  
[repeat 1x]  
I'm renewed and i'm glad about it  
[repeat 1x]  
I'm glad about it  
[repeat 3x]  
I'll shout about it  
[repeat 1x]
