

# Miracle Of Love

Ruby

Oh yeah,  
You never know what it is  
Till you feel the breeze  
And you're on your knees  
Oh yeah,  
You never know  
Till it's gone  
And you're home alone  
Waiting for the one.  
(2x)

Oh yeah,  
(Yeah,) (6x)  
(3x)  
Oh yeah,  
(Yeah,) (4x)  
(Yeah.)  
(I'm believing in the miracle of love.)

Oh yeah,  
I'm believing in the miracle of love,  
(4x)  
(Love,) (13x)

(Love.)

Now I know  
How it goes from the start  
'Cos we are fools  
In the matters of the heart  
The way you make me feel  
Is like drive in my blood  
My heart is pumpin'  
And yeah, it's so hot.

You should know, you should know  
That I'm losing my control  
And it's getting so confusing  
Forever more, I am sure,  
I'll be loving you,  
You, (2x)  
You.

Oh yeah,  
I'm believing in the miracle of love,  
(4x)  
(Love,) (13x)

(Love.)

You should know, you should know  
That I'm losing my control  
And it's getting so confusing  
Forever more, I am sure,  
I'll be loving you,  
You, (2x)  
You.

Oh yeah,  
I'm believing in the miracle of love,  
(4x)  
(Love,) (13x)

In the miracle of love.
