Child support

Child support
For my kid
I got a ?
Child support
For my kid
I got some pot,
For my kid
Child support
For my kid
I got a ?

When you see me up at Chuck E. Chesses, feeding my kids
And I'll be buyin' them some fries and a couple of ribs
While my baby mama tellin' me what she wanted more
"I need a ? check, and a mothafucking child support!"

She want my money all day
And she gets her hair fixed
She wants my chrome piece of change
And she gets her nails fixed
'Cause when ? shot ?, and they need braces on they teeth
And I can't buy a X-Box for ? and ?!

Oh no!
I let my Nikes go!
Oh no!
I let my Nikes go!
And my baby mama cryin' 'cause she know that I'm broke
She says,
Damn, Rucka Sucka!
I'mma take you to court
Got these kids waitin' on me
Ain't got no money
And these kids ain't mine
We could take them to ? 's
These twenty kids ain't mine

I ain't got no damn trash tonight
Why you givin' me crap tonight?
Can we eat somethin' fresh tonight?
You cook the same trash everynight!
I come home, and dinner is pizza?
