

# I'm Chinee

Rucka Rucka Ali

Oh hello, its me DJ Not Nice

In china we cannot be dykes or Taiwanese  
Somebody gave to me HIV, wanna see?  
I might be japanese, I don't know my family  
I'm chinee get this price tag off of me  
In china we now have TV finally  
I can see show called simpson family  
Why they yellow? That make fun of chinee  
Sing the song Rucka Rucka Ali

I'ma drop atom bombs on you white devils  
China take over America in 2012  
China is very big what you gonna do?  
We got two billion china men and not one jew  
China make you kill all your female kids  
Cause we have too many chicks  
And china has not enough tampons  
China be so very sad  
Because we don't have any friends

In china we crap in our beds  
Because we can't buy a mattress  
We missed 2005 and '6  
(I was high)  
I was high on cocaine  
China has very small wang  
(Very small)  
Okay

China drink on kool-aid  
Economy of dirty under age sex slaves  
We get murdered if we don't like China president  
That's a restaraunt in Detroit  
They shoot everyone

In China we probably gonna bomb Germany  
C'mon please somebody how come we cannot be  
Rich we ain't got shit  
And we live in a dirty ditch with some animals  
Pass the f\*\*kin' butter please  
I've got soy sauce now i need some dog meat  
I can eat what i want don't make fun of me  
I can meet rucka ruck  
I heard he lives in the street  
Why can't we go to America?

I get me a bus pass and we could roll  
We'll open up a wonton dry cleaning store  
I could also coach wheelchair basketball  
How come we chinee are like five feet tall?  
I could sell cereal while stealing stereos  
Bury your terrier he's a AIDS carrier  
We could make a show with Morgan Freeman  
We call it everybody gets shot by Raymond

Somebody messed up the song now it just got racist

Black people been through enough  
40 cases  
Why can't we just send all white people to Africa  
The chinee people are taking over America  
Lets go, I'm the boss I can tell you where to go  
Get the bros on the bus and send them down the road  
(Peace)  
We can go vegan but we gotta eat dog  
We'll beat em' up cause adrenaline tastes good

I could read stuff like books  
Cause I made something of my life  
I tried to get by on looks  
But it looks like I'm closing my eyes  
All you punk ass bitch ass ninjas  
Suck my dick cause you ain't shit cause  
I come here from Indo-China  
China has sideways vagina

China be the best at baseball  
Phillipinos have little buttholes  
I'm china number one guy because  
I have one dollar fifty five nigga  
I must listen to emperor  
Because he has bad temperer  
I'm not some kind of gambler  
Australia has kangaroo

I'm chinee why can't we all just be friends with me  
I give you the good rice  
In china we eat chinee food  
I'm chinee why not me play Gandhi in movie  
I could break up a hood fight  
And tell crips and bloods to be cool  
I'm chinee I know which ninja killed Kennedy  
I'm won of the good guys  
I teach the secret service ninja moves  
I'm chinee I'm not even in ninja kid three  
They hired some girl that time  
I, I mean Karate Kid three (no, four)  
I'm chinee it's gay, how my videos get deleted  
But the Ruckas Nucka's load them videos up  
And tell everybody at school  
I'm chinee so call me to MC your party  
Weddings or Bar Mitzvahs  
I even do funerals let's go!

Everybody touch somebody  
Don't be scared of them pressing charges  
Put some saki in your coffee  
Tell your mother to get off me  
Ninja Turtle was good movie  
I remember when I saw it  
And the second one was better  
And the third one was whatever  
And I like the Power Rangers  
Billy, Jason, and the Black Guy  
They had to save the world  
From the lady who look like Kim Jung Il  
Where were the Power Rangers on the day of 9/11?  
I thought they could have stopped it  
I guess they were busy fighting Putties

I'm chinee, I'm chinee, I'm chinee, I'm chinee  
I'm chinee, I'm chinee, I'm chinee, I'm chinee  
I'm chinee, I'm chinee, I'm chinee, I'm chinee

Now buy me on iTunes bitch!
