

## Jew Boy

Rucka Rucka Ali

Yeah  
They call me MC Meshugana  
Niggas walk up with some pork and I'm killin' 'em  
This is my street  
? up in Brooklyn

Seymour Schwartz  
I'm a certified attorney  
Look me up  
I'm also a doctor  
Drink vodka on Hanukkah  
Me and my Schwartzes run from helicopters

I'm the most lactose intolerant  
Gimme some cheese with my meat and I'm gonna fart  
I'm about five-foot-two with my shoes on  
Turn on the TV just to see what Jew is on  
Chinese food, I need to get me some coupons  
I eat soup with lots of balls on my conference calls  
All the stocks are falling  
I lost my retirement  
I pin on my yamaca and go fight Sharpton

Bitch, I fuck more bitches than that Madoff boy  
Rucka Rucka Ali, sing the fuckin' chorus, man

Jew boy  
Posted, outside, spinning your dradel  
Sippin' on some grape juice  
Rocking that Jew gold  
The world just don't understand you  
They try to kill all of you  
But no one can sue ya'll  
Too bad, 'cause you got, all the money

Catch me in my neighborhood temple where I pray  
God, please, let me sell some diamonds on e-bay  
Usually I'm hungry, but now I need some money  
So God, please give me couple bagels and a twenty  
Twenty bagels with lots of cream cheese on the top  
Gimme couple shots of Manischewitz on the rocks  
It hits the spot  
They should of never had Hitler done the Holocaust  
Yo, I'm in the bakery  
How much does that hola cost?  
All across the trailer park, people hate Jews  
I would too, if my father was my grandfather too

Fuck you  
I hate you, you anti-semite son of a bitch  
If not for Jews, blue jeans wouldn't even exist  
We invented lipstick and the atom bomb  
So Lebanon could kiss they ass goodbye when we're bombing 'em  
Please God, let there be peace in the Middle-East for once  
And please let Iran bomb all these mothafuckas

? can be worst than the first couple  
It can put you to sleep  
Or it could be controversial  
Shoot us!  
I'm tired of all you so-called Jewish MC's  
You're dumb as shit  
Choosin' hip-hop over ?  
Suck my schmickle!

Fuck you bitches badder than Mel Gibson fucks shit when he's wasted  
? on stage, blamin' Jews for the slave train  
I hate you  
I'll probably get killed for sayin' all this by the same guys that killed Malcolm X  
But I don't give a shit  
I won't throw my people down the steps like you faygolas  
Can't we all be friends?

Choosin' blacks we're almost the same  
We both been oppressed  
We both got crazy mothers (fuckers), and we're scared of them  
We both like chicken  
We both got weapons  
Jews got Jewish guilt, blacks got handguns  
Manischewitz got you actin' a meshugana  
?
