Kwame said the prison that he in ain't fit
Kwame says he sorry cuz he lied about it
Why he gotta sit in prison thinkin about it?
Can't he get a ticket and a slap on the wrist?

Got some text-he sent some back
Why we gonna let the city get off track?
Kwame lied a bit-what's wrong with that?
Bring his ass back to the city right back, Kwame.

Why we lock him up?

I'm tryna get the charge on Kwame dropped
