

Lemme See Dem Titties

Rucka Rucka ALI

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!

Show them titties, nice and slow,
Lemme get down the floo',
Come on, girl, I know you a hoe,
Gimme, gimme, gimme some more

Cash that check in,
This party blows.
Rat this f**k,
And it's time to go
I got back, at like Makaroe
Bitch walk up,
I smack a hoe!

I like them titties!
I see them, she's like "Hairy day"
Bitches lemme see 'em, I'm like "drop them titties"

I'm the titties droppa'
The show stoppa'
Girls just wanna get f**ked,
Ask Cindy Whoppa

In every city,
I put my dick on a bitchy rack
I'm just like Biggy,
Lay them titties on the track

I could use some crazy,
I think I'm gonna have your baby,
I didn't do it lately
f**k it, bitch, I'm lazy!

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!

From A-cups, to E-cups,
Them cheek-as
We niggas
From 4-Lynn, like Jesus
Since I was a fetus
Forpada, tequilas,
From tatas, to tetus
Madonna, Jay Fonda, and
Teila, tequila

This rap shit, is simple
I'm quick, and I'm nimble
I play with her nipples,
I ask, and they ripples,
Flip dimes like some nickels
Suck on my pickle,
My nut and popsicle,
But where did them tits go, yo

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!

I'm a let everybody,
In this mother f**kin' know,
Some of these girls do steaks for a limit, yo.
'Cause they some hoes,
And Rucka Rucka got my back.
I'm throwin' blows, at Dali Llama, stick with that
f**k that ass, we talka bout hi-tech titties
Throw my staff, if you know you like them beefs!
Break the stack,
You richest baby, cross that putty
If you want some fries...

Nooo...

Bitch, you aren't comin' with me!

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!

Let's see them titties!
Let's see them f**kin' titties, bitch!
Let's see them titties!
Let's see them f**kin' titties, bitch!
