

# Let's Go Jesus!

Rucka Rucka Ali

Someone black just stole my car  
How my kids gonna get to the water park?  
If you needed a ride just ask,  
Now I'm stuck at home,  
Guess I'll beat my wife

Just wait 'til Jesus gets back  
He'll be real pissed off,  
That you did that  
He got some caps with your name on 'em, bitch ass  
Keep playin' game  
I'll pray for you, asshole

Hey everyone you should read the bible  
It says, don't do drugs,  
And don't get sexually aroused,  
When wiping your ass  
And make sure you don't f\*\*k anyone's butthole  
And don't give AIDS to your uncle  
'Cause I come in the name of Jesus, Mary, and all them Nuckas!

God is my guy  
I'm rollin' with my ninja, Jesus Christ  
Satan can suck on my cock tonight  
Some yellow nigga just burned my rice  
Let's go Jesus!

Now don't kill your kid with a fork  
And don't f\*\*k your grandma when she's plugged into the wall  
And don't give blowjobs for a dollar in a highschool bathroom,  
That's not cool

And don't have sex,  
And don't get raped,  
And don't masturbate in your mama's basement

And don't kill a baby,  
With a coat hangar  
And keep Kosher just in case

God, is the guy, that you don't wanna f\*\*k with  
'Cause He'll pop, all you dumb shits  
And He's been around, like a million years!  
And He's got a Son,  
And His name is Jesus  
And He died like a hundred years ago  
Who da f\*\*k's Jesus?  
That's that one dude who's dead on a cross

God is my guy  
I'm rollin' with my ninja, Jesus Christ  
Satan can suck on my cock tonight  
Some yellow nigga just burned my rice  
Let's go Jesus!

Yo,  
I'm always praying,

Like everyday in my church to Jesus,  
'Cause no one got their salad tossed like He did  
I'm saying  
God got got  
'Cause no one cares about God,  
They just wanna roll with His kid,  
Jesus

All my niggas are talkin' about...

God is my guy  
I'm rollin' with my ninja, Jesus Christ  
Satan can suck on my cock tonight  
Some yellow nigga just burned my rice  
Let's go Jesus!

God is my guy  
I'm rollin' with my ninja, Jesus Christ  
Satan can suck on my cock tonight  
Some yellow nigga just burned my rice  
Let's go Jesus!
