

Only 17

Rucka Rucka ALI

She was lickin' my nuts, nuts
Eatin' my skeet, skeet
Now I'm locked up, up
Beatin' my meat, meat

Open my eyes, yeah
She was only seventeen

We was sippin' on yak, yak
She takin' her clothes off
Now someone black's,
Tellin' me to bend over

I realize, yeah
She was only seventeen

My life is a story of trials and jailbait
Why do I have a bisexual cellmate?
I told some hoe to get naked
Now I'm in jail,
And I'm gettin' butt raped, and

Shoulda told her to show me some ID
Before I know it,
She was suckin' on my "D"
In prison, I can't get into a gang
So I'm gettin' gang raped by Mexicans

I f**ked up my life
Her butthole was tight
But not worth doin' time
'Cause now I'm gettin' boned in mine

I was up in her butt, butt
Slappin' them cheeks, cheeks
Now I'm gettin' love
From a guy named Jesus

Open my eyes, yeah
She was only seventeen

She was lickin' my dick, dick
Givin' me blowjobs
Now I'm gettin' sex,
When I'm droppin' the soap, and
I realize, yeah
She was only seventeen

When I was gettin' laid,
Her age was of no concern
Now I'm gettin' AIDS
Them gays are takin' turns
And I just wish them homies would stop rapin' my cornhole
Come on ya'll
Go play basketball

How could I have ever known

That the hoe is underage
I just wanted her to give me and my friends a couple handjobs

Yeah
I was all up in her muff
I guess grass on the field isn't enough

I got a Jewish lawyer when I went to court
But my judge knew exactly who I was
And since when should a woman be allowed to be a judge?
They're all dumb

She was lickin' my nuts, nuts
Eatin' my skeet, skeet
Now I'm locked up, up
Beatin' my meat, meat

Open my eyes, yeah
She was only seventeen

We was sippin' on yak, yak
She takin' her clothes off
Now someone blacks, tellin' me to bend over

I realize, yeah
She was only seventeen

If you ever got a hoe to take her pants off
And then the cops takin' you away in handcuffs
And Chris Hansen's sayin' "Why don't you have a seat here with me? "
Ninja please

I shoulda never old a hoe to take her pants off
I shoulda never nutted up inside her asshole
Because the sperm in her butt was evidence against me
She told me she was forty three

She was lickin' my nuts, nuts
Eatin' my skeet, skeet
Now I'm locked up, up
Beatin' my meat, meat

Open my eyes, yeah
She was only seventeen

We was sippin' on yak, yak
She takin' her clothes off
Now someone blacks, tellin' me to bend over

I realize, yeah
She was only seventeen

I was up in her butt, butt
Slappin' them cheeks, cheeks
Now I'm gettin' love
From a guy named Jesus

Open my eyes, yeah
She was only seventeen

She was lickin' my dick, dick
Givin' me blowjobs
Now I'm gettin' sex,

When I'm droppin' the soap, and
I realize, yeah
She was only seventeen
