Rucka Rucka ALI

Here's one for the ladies...

Smoke Christmas tree
Smoke Christmas tree
Just pack one up on niggy

Smoke Christmas tree
Smoke Christmas tree
Don't pour your hate on niggy

The ? stars,
and AKA's
I smoke at least uh, eight a day

Smoke Christmas tree
Smoke Christmas tree
Roll it up on niggy

Smoke Christmas tree
Smoke Christmas tree
Someone pack enough on kila

Smoke white snow in outer space
The crumpled haze, will blaze for days

Smoke Christmas tree
Smoke Christmas tree
O lunch's on niggy

Smoke Christmas tree
Smoke Christmas tree
Hot knives of hash with your homie

Been filled with cheese,
and bubblegum
And just enough to make me cum

Smoke Chirstmas tree
Smoke Christmas tree
I fuckin' love to smoke weed

Santa, do you know what's really in your bag?
