

Suck My Balls

Rucka Rucka All

Howdy there, faggots!
It's me, Toby Queef
Everybody wanna hear a story?
Grab your fifth of Beethoven,
Or yer moonshine with a little bit o' eggnog in there for good luck,
And listen up.
The following was all said by Jesus Christ at some point:

I was drivin' down the street
When the police came to me
And they pulled to me to the curb,
And said "Can I see ID? "

And I said, No, Sir, f**k you
Your probably a Jew
So deck the halls and suck my balls,
Let's a smoke a blunt or two
Orrr, you could...

Suck my balls
Suck my balls
Police all to have AIDS (Hey)
Got 'em one day from a bathhouse gang
In Southeastern LA (Yay)
Suck my balls
Suck my Balls
Police all have AIDS (Hey)
So I hit the gas, and I crushed his ass,
And then I got away.

So I drove down to the park,
To hunt right after dark.
And I saw some hippies dancin'
So I shot one in the heart.
And his friend said,
"Oh shit, you f**kin' killed him, man! "
Then I made him eat his frisbee, and he thre up in his hand.
And I made him...

Suck my balls
Suck my balls
Hippies all have AIDS (Hey)
Got 'em one time from the butt sex vine on a vacation in Spain (Hey)
Suck my balls
Suck my balls
Hippies all have AIDS (Hey)
They smoke their crack, and shoot their smack, and smell like shit all day.

Went to the tittie bar
'Cause it wasn't too far
Saw a big tittie bitch with a bush so big, one day she'll be a star
She likes Twinkies in her G-String,
Or maybe a Hershey bar
Tonight, we gon' cow tippin' in the f**kin' tittie bar (Yeehaa)

Suck my balls
Suck my balls

Fat bitches love cake.
I love to f**k fat bitches, like Catholics like to rape (Hey)
Suck my balls
Suck my balls
Fat bitches love cake.
And if you stole this album, Rucka thinks your f**king gay

WHAT... POWDER!
Powder? You know, cocaine?
YEE-HAW!
