

## Common Emotion

Rudimental

If were oceans apart, I'd keep sailing 'til we're on the same l  
and  
If there's no end to our start, I'd keep hold of it with both h  
ands  
Just say what's on your mind, cause I can't cope with false hop  
e and pain  
Am I wasting my time if I know you don't feel the same, the sam  
e?

Let's find a common emotion, something we both can feel  
Let's dive, sink and drown in devotion, so I know that this rea  
l  
Cause I want to feel a common emotion, common emotion  
Common emotion, common emotion

The dark dusk of sky, but my fears shine ironically  
I've tried to unwind, but I'm struggling to find peace, find pe  
ace  
I tried to find something sacred and mutual  
But I'm losing my mind cause I don't know if you care at all, a  
t all

Let's find a common emotion, something we both can feel  
Let's dive, sink and drown in devotion, so I know that this rea  
l  
Cause I want to feel a common emotion, common emotion  
Common emotion, common emotion

Get out my car honey  
Yeah, you gonna have to walk the rest of the way  
Yeah cause I've been walking all my life  
Yeah by tomorrow I be in the left  
cause I don't know where you're gonna be, get out my car honey
