I don't do yoga, never traple at ease Not many people want me at their parties Tryina find my place on place, oh I, oh i I drink a little more than recommended This world ain't exactly what my heart expected Tryina find my way someway, oh I, oh I, oh i

Yeah, whoa, c'est la vie Maybe something's wrong with me But whoa, at least, I am free, I am free Yeah, whoa, c'est la vie Maybe something's wrong with me But whoa, at least, I am free, I am free

If you ask the church then I am no believer Spend Sundays asleep I am just another dreamer Still tryina find my home sweet home, oh I, oh I, oh i And I guess I ain't too good for money either I got 2 left feet, no Jackson either Just tryina find my way someway, oh I, oh I, oh i

Yeah, whoa, c'est la vie Maybe something's wrong with me But whoa, at least, I am free, I am free Yeah, whoa, c'est la vie Maybe something's wrong with me But whoa, at least, I am free, I am free

Still tryina find my home sweet home, oh I, oh I, oh i I drink a little more than recommended This world ain't exactly what my heart expected Tryina find my way someway, oh I, oh I, oh i

Yeah, whoa, c'est la vie Maybe something's wrong with me But whoa, at least, I am free, I am free Yeah, whoa, c'est la vie Maybe something's wrong with me But whoa, at least, I am free, I am free.
