Rudimental

Mama always said I'll find my way back  
Back home  
So tell me why am I still lost in limbo  
With nowhere to go

God knows I'm trying, I'm fighting to get out of here  
Oh but sometimes it's hard not to give into fear  
I build myself up 'cause I want it so much  
I need to break for real

I'm headed for somewhere else  
'Cause it's a long way home  
Courage to carry on  
I've got to be oh so strong  
'Cause it's a long way home

Mama always said I'll find my way back  
Back home  
So tell me why am I still lost in limbo  
With nowhere to go

God knows I'm trying, I'm fighting to get out of here  
Oh but sometimes it's hard not to give into fear  
I build myself up 'cause I want it so much  
I need to break free

I'm headed for somewhere else  
'Cause it's a long way home  
Courage to carry on  
I've got to be oh so strong  
'Cause it's a long way home

I'm headed for somewhere else  
I'm guessing the time will tell  
'Cause it's a long way home  
Courage to carry on  
And now I got to be oh so strong  
'Cause it's a long way home

I'm headed for somewhere else  
But it's a long way home  
Courage to carry on  
'Cause it's a long way home
