

# I Will for Love

Rudimental

I will for love

Even if our world is done  
And the sky is falling down  
It won't even matter to us  
No, it won't even matter to us, no

Oh, we could risk it all  
We'll fight until we fall  
Oh, we could risk it all  
Oh, I, I will for love, I will for love

I will for love  
I will for love  
I will for love  
I will for love, I will for love

And even if our world is done  
And the sky is falling down  
It will never change my love  
No, it will never change my love, no, no

Oh, we could risk it all  
We'll fight until we fall  
Oh, we could risk it all  
Oh, I, I will for love, I will for love

I will for love  
I will for love  
I will for love  
I will for love, I will for love

And even if our world is done  
And the sky is falling, the sky is falling down  
Cause it will never change my love  
No, no  
It will never change, it will never change my love  
My love, my love

I will for love  
I will for love  
I will for love  
I will for love, I will for love

I will for love  
I will for love  
I will for love  
I will for love, I will for love

I will for love  
Oh, yeah
