

New Day

Rudimental

There's a new day coming
There's a new day coming
There's a new day coming
There's a new day coming

.. like an angel calling me
I must be getting closer to finding my destiny
There's a road we must travel, ..
And every twist and turn, there's a new lesson to be found
There's a moment in your life
Point of no return
Where you hold onto your dreams
And let your bridges burn

There's a new day coming
There's a new day coming
There's a new day coming
There's a new day coming
