

# We the Generation

Rudimental

Lately I've been out of love  
Seems like I'm not good enough  
Maybe life's just really dark  
Like a diamond in the rough

I can see more clearly now (Yeah yeah yeah, yeah yeah yeah)  
I need you to trust me now (No no no, no no no)  
I want you to hear me out, yeah (Yeah yeah yeah, yeah yeah yeah  
)  
All I'll do is scream and shout (No no no, no no no)

(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough  
(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough  
(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough, oh  
(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough

Bet you think this is the end  
We don't wanna play pretend, No  
Because you'll make my stakes again  
We'll put up our best defense

I can see more clearly now (Yeah yeah yeah, yeah yeah yeah)  
I need you to trust me now (No no no, no no no)  
I want you to hear me out, yeah (Yeah yeah yeah, yeah yeah yeah  
)  
All I'll do is scream and shout (No no no, no no no)

(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough  
(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough  
(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough, oh  
(Riff it down, Riff it down, make make it flesh)  
We the generation and we have had enough
