

Blasphemy Squad

Rudimentary Peni

Blasphemy squad, thriving on hate, in the warfare state, like piss in a pod.

Never forget, never ever forgive, wash your mouth out with pope . death love god squad + the babies of christ, pin you all down , in their burial mound.

Never forget, never ever forgive, wash your mouth out with pope . no need to feed, from corpus christi, no need to cower, inside you's the power.

Never forget, never ever forgive, wash your mouth out with pope . hairy white mouse + the rubber arch bish, the crazed entourage, their immoral barrage, they censored this line with a brick through my head, washed my mouth out with pope.
