## **The Only Child**

## **Rudimentary Peni**

The only alternative Namby-

pamby protracted childhood Earthworks of infantility

The facts of life cleaned from passion-

killing anotomical tomes You don't need pot to see Pan.

You don't need pot to see Pan I'm a little girl I'm a little girl I'm a little girl

And I formed a dislike for killing things which could not fight back

Childish and childlike

My rocking horses at the head of the stairs

My rocking hearses I am Providence I am Provid
