

## Tower Of Strength

Rudimentary Peni

Tower of strength takes to the sea  
Scours ocean via quay  
Same old story muscle bound and gorey  
Brand new story death without glory  
Infinite story so new, so hoary  
Build a tower of strength and watch it weaken  
Construct high hopes as the brightest beacon  
Watch the seagulls eat the trash  
You contemptuously ditch

Do you know a seagull?  
Do you know a wreck?  
Are you tired of the tide?  
Are you tired of the tide?  
Roll in a rock pool, come let's hide

Do you know a raging wind?  
Do you know a seagull?  
Do you know a wreck?  
Do you know a raging wind?  
Are you tired of the tide?  
Are you tired of the tide?  
Roll in a rock pool, come let's hide

Tower of strength takes to the sea, oh, oh, oh, oh, oh
