

If I Was The One

Ruff Endz

I see the way he treats you,
I feel the tears you cried,
And it makes sad, and it makes mad,
There's nothing I can do baby.
Cause your lover is my best friend,
And I guess that's where they story ends.
So I've gotta try, to keep it inside.
You will never be, never be mine but,

If I was the one who was loving you, baby.
The only tears you'd cry would be tears of joy.
And if I was by your side,
You'll never know one lonely night
And if it was my arms you were running to,
I'd give you love in these arms of mine.
If I was the one in your life.

If I could have just one wish,
I'd wish that you were mine,
I would hold you near,
Kiss away those tears.
I'd be so good to you baby.
You're the one I want next to me,
But I guess that's just not meant to be.
He's there in your life,
And he's sharing your nights,
It'll never be, never be right.

If I was the one who was loving you, baby.
The only tears you'd cry would be tears of joy.
And if I was by your side,
You'll never know one lonely night
And if it was my arms you were running to,
I'd give you love in these arms of mine.
If I was the one in your life.

Yeah, baby.
I wanna reach out and view beside me,
Right here beside me, babe.
Take you in my arms right there,
Scream 'I love you' right out loud.
Some day I pray, that I'll find the strength,
To turn to you and say,

If I was the one who was loving you, baby.
The only tears you'd cry would be tears of joy.
And if I was by your side,
You'll never know one lonely night
And if it was my arms you were running to,
I'd give you love in these arms of mine.
If I was the one in your life.

If I was the one who was loving you, baby.
The only tears you'd cry would be tears of joy.
And if I was by your side,
You'll never know one lonely night
And if it was my arms you were running to,

I'd give you love in these arms of mine.
If I was the one in your life.

If I was the one, if I was the one,
In your life
