

# Missing You

Ruff Endz

Hmm, yeah  
(I miss you baby)  
I've been missin' you  
(It's so hard bein' away from you)

Girl, I've been missin' you, baby  
(Mmm, I want you next to me so bad)  
I've been thinking about you girl  
(I miss you so much girl)

I never felt loneliness like this before, I'm so paranoid  
Thinkin' you gonna walk through the door  
Girl my heart has so much pain to endure  
It's been hurting for so long till it feels sore

Girl I don't wanna hurt no more  
You're everything worth living for  
So baby come back to me  
You belong with me naturally  
Take me outta my misery, girl I'm going crazy

Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks

Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Ooh girl, I'm missing you  
You know I'm wanting to  
Spend every moment with you

Girl it's been so long since I seen your face  
And I'm feeling so out of place  
The touch of your fingertips on my back  
As we make contact, didn't I react

To the chills you send through my veins  
Girl just the thought of you drive me insane  
Girl I can't wait to feel that feeling again  
It's your sweet love what I'm missing

Girl I been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Girl I been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks

Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Ooh girl, I'm missing you  
You know I'm wanting to

Spend every moment with you

Girl, I'm missing you like crazy  
I don't know what it is about you  
Each moment without you  
Seems like forever babe  
I just need to be next to you  
And until I'm next to you  
I'll be missin' you babe

And I've been missing you  
Oh, the days have been so long  
I've been missing you

I've been thinkin' about cheatin' Mrs. Jones  
And I've been missing you  
Said I'm lost without you baby  
Oh baby, baby, I've been missing you

Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks

Girl I've been missing you, like crazy  
Every minute seems like hours  
Every day seems like weeks  
Ooh girl, I'm missing you  
You know I'm wanting to  
Spend every moment with you
