

I'm A Ruff Ryder

Ruff Ryders

Baby, I'm a Ruff Ryder
Hey, I'm a Ruff Ryder
Oh no no, yeah yeah yeah
Mmm-hmm, yeah

Woke up one Sunday morning, t the crack of dawn and
My baby left a letter, tellin' me don't forget her (Oh no)
She said I wasn't able, to keep our love stable
She knew that I was foolin' around (Oh yes she did), she saw me with the gir
l downtown

So you're sayin' that you love me baby, but you're gone forever and more
And more, and more (Please come), and more (I'm a Ruff Ryder)
And I'm gonna be sorry baby (So sorry baby), 'cause I want you more than bef
ore
And more, and more, and more (I'm a Ruff Ryder)

Now as the letter goes on , I'm reminded of the time when she's all alone
All the days that she's cried, but never once did I ever see the pain in her
eyes (No no)
She said that I was wrong, that a man who doesn't care isn't all alone (Sill
y ass nigga)
If I could do it all again, girl I know one thing is I would not let you go

So you're sayin' that you love me baby, but you're gone forever and more
And more, and more (Please come), and more (I'm a Ruff Ryder)
And I'm gonna be sorry baby (So sorry baby), 'cause I want you more than bef
ore
And more (I want ya), and more (I need ya), and more (I'm a Ruff Ryder)

You walked away with nothin' to say (Oh no), said you tired of the games I p
lay
There ain't nothin' that I wouldn't do, to find a way to get back to ya
Now you're gone and I'm all alone (I'm all alone), wish that you, would come
back home
You know I need you here in my life
All I wanna do is try to make right

So you're sayin' that you love me baby, but you're gone forever and more
And more, and more (Please come), and more (I'm a Ruff Ryder)
And I'm gonna be sorry baby (So sorry baby), 'cause I want you more than bef
ore
And more (I want ya), and more (I need ya), and more (I'm a Ruff Ryder)

Baby baby baby
So you sayin' that you love me baby
Let me talk to ya (I'm a Ruff Ryder)
So you sayin' that you love me baby (I know)
I should of spent more time with you
So you sayin' that you love me baby
Can I make it up to you?
I should of been more careful

So you're sayin' that you love me baby, but you're gone forever and more
And more, and more (Please come), and more (I'm a Ruff Ryder)
And I'm gonna be sorry baby (So sorry baby), 'cause I want you more than bef
ore

And more (I want ya), and more (I need ya), and more (I'm a Ruff Ryder)

So you're sayin' that you love me baby, but you're gone forever and more

And more, and more (Please come), and more (I'm a Ruff Ryder)

And I'm gonna be sorry baby (So sorry baby), 'cause I want you more than before

And more (I want ya), and more (I need ya), and more (I'm a Ruff Ryder)

Mmm-hmm, yeah

I should of spent more time with you

'Cause you was my baby boo

Remember all the rocks in the park

Remember when we made love in the dark

Remember all the shit baby (I'm a Ruff Ryder)

And I'm gonna be sorry baby

'Cause I want you more than before

And more, and more, and more
