Sold the crack when I was down in AC  
Back on the block Jay-Z mother fucker from the, the, the Roc  
Went solo on that ass but it's still the same  
Brooklyn be the place where I serve them thangs  
Be my niggas was struggling, to the 'burbs they came  
And then we got to hustling, muderin' thangs  
I dipped in my stash, splurged on a chain  
Now I'm Titianic, Iceberg's the name  
Leave players on injured reserve, hurt the game  
The best way to describe me in the word, insane  
I dick down chicks all emerged in my fame  
Jigga been dope since Slick Rick's first chain  
The God, send you back to the earth from which you came  
I'm baking soda, waterfire, merged with 'cane  
Ladies don't know me said "I heard he's vain"  
Well guess what mommies? I heard the same,  
You heard the name

Got a license to kill so I stay the gat  
Roc-a-fella, Ruff Ryders, nigga scared a that  
Got a new motto this year, Don't Fuck With My Ones  
Knock on your door, three in the morning, "It's just us and our guns!"  
See I scrambled with priests, hustle with nuns  
Got the mind capacity of a young Butch Cassidy  
Niggas get fly, let 'em defy gravity  
Four-five rapidly lift your chest cavity  
Streets won't let me chill  
Always been a clumsy nigga, don't let me spill  
Mother fuckers wanna wet me still,  
I remain ya'll Raw, the one, like five divided by four  
Shit, this just the hate that's been provided by ya'll  
Reciprocated and multiplied by more  
You likely to see Jigga in a Wide Body or  
Drop-top Bently is all, Holla at me ya'll

I don't give a fuck if I sold one or one million, but I think you should  
Cause if I only sold one, then out comes the hood  
The all black, in the gloves, the outcome ain't good  
Them niggas act like wolves, how come? They could  
Cause we don't drop hits, we drop bombs that smash  
Till the wrists is lit up, the arm looks like glass  
The necklace chipped up, the charm it flash  
Could fuck up your eyes like the bombest hash  
See the reason why chicks let me palm they ass  
All I gotta do is let 'em call me Shawn de'Glass  
Let me sit up in they whip till I launch it back  
Snap they neck, then shoot 'em till they aren't sent back  
The calmest cat, trust me when I palm this gat  
Kill your mind, body and soul, push your conscience back  
Monster's back, and Flex drop a bomb to that  
And everybody sing-a-long to the track, Come on
