

## Don't Hate Me

Rufio

I remember when we would laugh all night  
and nothing could stop us  
moments shared we're picture perfect  
memories remain

All I want is to be just friends  
understand, but don't hate her

Feelings change  
No strength in me  
I'm sorry, my love for you is gone  
My love is gone

Honesty is all  
We make mistakes I know  
And I knew something's wrong  
I couldn't lead you on

Well I see, you and me  
Separating for good  
No more friends, this can't be  
My best friends gone

Night is over  
Orange haze has  
Filled my eyes again  
She's not perfect  
I'm still feeling  
Weak inside when she's around  
Well don't hate me

Don't hate me, don't hate me  
We're all done, we're all done  
We're all done, we're all done
