Life is a mystery, everyone must stand alone I hear you call my name
And it feels like home

When you call my name it's like a little prayer Down on my knees, I wanna take you there In the midnight hour I can feel your power Just like a prayer you know I'll take you there

I hear your voice, it's like an angel sighting I have no choice, I hear your voice Feels like flying I close my eyes, Oh God I think I'm falling Out of the sky, I close my eyes Heaven help me

Like a child you whisper softly to me You're in control just like a child Now I'm dancing It's like a dream, no end and no beginning You're here with me, it's like a dream Let the choir sing

Just like a prayer, your voice can take me there
Just like a muse to me
You are a mystery
Just like a dream,
You are not what you seem
Just like prayer
No choice
Your voice can take me there
