

# Baby It's Real

Rufus Thomas

My love is real, my love is real  
This thing I feel, baby, it's real  
Something inside said I can't hide  
Baby, it's real, I know, I know it's real

I work my fingers down to the bone  
And with these hands, I build you a home  
My love is strong, stronger than Rome  
Oh, baby, it's real, oh, yes, I know it's real

My friends all say that I'm a fool  
But I can't stand my friend's ridicule  
Because it's real, oh, the way I feel  
Yes, baby, it's real  
I know, I know, I know, I know it's real

Sure as the sun shine in the sky  
My love for you will never, never, never, never die  
And if you feel the way that I feel  
Baby, oh, it's real, I know, I know, I know it's real

And if you feel, oh, oh, the way that I feel  
Baby it's real, oh, yes, it's real
