

# Do The Funky Penguin

Rufus Thomas

Hey everybody, Mister Rufus is back  
I've another dance I know you're gonna like  
You can't do the penguin, unless you shuffle your feet  
When you do the funky penguin, I know it's all real

Do the funky penguin  
Do it right now  
Do the funky penguin  
Do it right now

Do in the United States  
Way over in England  
Want you to know what I'm talking about  
I'm talking about funky penguin

Do the funky penguin  
Do it right now  
Do the funky penguin  
Do it right now

Listen  
Shuffle to the left, shuffle to the right  
Get's so good to you, baby, you can do it all night  
Everybody doing it, it's all over town  
You can't mess around, got to get on down

Do the funky penguin  
Do it right now  
Do the funky penguin  
Do it right now

Come on join your feet, kick off your shoes  
Let it all hang out, ain't got nothing to lose  
Do it with your partner, do it by yourself  
You don't hurry up and get it, you're gonna get left

Do the funky penguin  
Do it right now  
Do the funky penguin  
Do it right now

Do the funky penguin  
Make it funky now  
Do the funky penguin

Did you heard me?
