

Bitter Tears

Rufus Wainwright

Choking on my bitter tears
My bitter tears
Only thing I don't fears you
Don't want you to see my tears
My bitter tears
Only thing I fear is my tears
Heavens how it's going to rain
Is this the same
Heavens with the bright blue skies
Driving at the crack of dawn
Looking away trying to hide my bloodshot eyes

But in discussing with the morning
It's gonna be O.K.
But in discussing with the morning
It's gonna be just fine dear

Taxi driver look at me
Oh can't you see
Turn around go back behind
Don't want you take me home
Where I'm alone
Racking up my tears and crying
Got to be another way
Somebody cursed me when I said
"I'll never be there myself"
Got to be another way
Somebody curse the light
And take me far away from myself

But in discussing with the morning
It's gonna be O.K.
But in discussing with the morning
It's gonna be just fine dear

I'm just discussing with the morning
Just discussing with the morning
And it's gonna be O.K.
I'm just discussing with the morning
Still discussing with the morning
And it's gonna be just fine
I'm just discussing with the morning
Still discussing with the morning
And it's gonna be O.K.
Yeah it's gonna be just fine
