## Me and Liza

## **Rufus Wainwright**

Me & liza, liza & I Famous till the day that we day Momma made it so I could try Me and liza, liza and I

Daddy writing unanswered love letters Why? Come on liza, give me a try

Blowing on the embers of fame Burning down the house of your name Everything can go up in flames As long as you have something to frame

Energizer, baby's on fire No one's gonna hatchet you down Terminator, thief of desire No one's getting out of this town

Poking at the embers of fame Burning down the house of your name Everything can go up in flames As long as you have something to frame

Me & liza, liza & I Happy that we're now such good friends Looking forward, forward to seeing a Love like our, we cannot pretend

Chocking on the embers of fame Burning down the house of your name Everything can go up in flames As long as you have something to frame

Me and liza, liza and I Me and liza, liza and I Me and liza, liza and I Me and liza, liza and i
