

Who Are You New York?

Rufus Wainwright

Saw you on the corner
Saw you in the park
Saw you on the platform
Of Grand Central Station
Saw you at the race track
Saw you on the lawn
Saw you in Madison Square Garden
Screaming

Who are you?
Who are you?
Saw you in the rainbow
Saw you in the dark
Saw you on the landing
Of the Empire State Building

Who are you?
Who are you New York?

There are many answers
There are many points
Take him, or then take her
And then find them together

Who are you?
Who are you?
The city will tell you
But I must know
Tell me do
Who are you New York?
