

# Zing! Went the Strings of My Heart

Rufus Wainwright

Dear, when you smiled at me, I heard a melody  
It haunted me from the start  
Something inside of me started a symphony  
Zing! went the strings of my heart

Was like a breath of spring, I heard a robin sing  
About a nest set apart  
All nature seemed to be in perfect harmony  
Zing! went the strings of my heart

Your eyes made skies seem blue again  
What else could I do again?  
But keep repeating through and through  
I love you, love you

I still recall the thrill, I guess I always will  
I hope we'll never depart  
Dear, with your lips to mine, a rhapsody divine  
Zing! went the strings of my heart

Your eyes made the skies seem blue again  
What else could I do again?  
But keep repeating through and through  
I love you, love you

I still recall the thrill, I guess I always will  
I hope we'll never depart  
Dear, with your lips to mine, a rhapsody divine  
Zing! went the strings of my  
Zing! went the strings of my  
Zing! went the strings of my heart
