

Zing! Went the Strings of My Heart

Rufus Wainwright

Dear, when you smiled at me, I heard a melody
It haunted me from the start
Something inside of me started a symphony
Zing! went the strings of my heart

Was like a breath of spring, I heard a robin sing
About a nest set apart
All nature seemed to be in perfect harmony
Zing! went the strings of my heart

Your eyes made skies seem blue again
What else could I do again?
But keep repeating through and through
I love you, love you

I still recall the thrill, I guess I always will
I hope we'll never depart
Dear, with your lips to mine, a rhapsody divine
Zing! went the strings of my heart

Your eyes made the skies seem blue again
What else could I do again?
But keep repeating through and through
I love you, love you

I still recall the thrill, I guess I always will
I hope we'll never depart
Dear, with your lips to mine, a rhapsody divine
Zing! went the strings of my
Zing! went the strings of my
Zing! went the strings of my heart
