

Hollywood

Rufus

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood

He's waited at bus stops all his life
He's been in and out of those spaces
Seein' eyes that spoke to him
From sad and gifted places, sad and gifted places

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood, where you goin' now?
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood, where you goin' now?

You know he's gonna be dressed to kill
He's gonna find some brand new thrills
Whatever he's been looking for
Tell him that there's so much more in Hollywood, Hollywood

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood, where you goin' now?
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood

Painted faces, sunburnt skin
Fixed expressions, smiles worn thin
Caught in the blink of neon of Hollywood

Bending battles, maneuvering schemes
False expressions, washed up dreams
Everybody makes believe in Hollywood, Hollywood

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood

He's on his way, he's goin' to Hollywood
He's bussin' it to Hollywood
Show him the way, he's movin' to Hollywood
He's hoppin' it to Hollywood
