In Love We Grow

We go on and on From dawn to dawn The years have flown Much faster than we know And still in love we grow

Time has placed us here Afraid of fear We've seen through tears That never should have come And still in love we grow

Like a baby dove Our love in time it's snowy wings unfold To soar above I'll stay another hour, another day My whole life As long as I feel this way I'll stay with you and know As long as I feel this way In we'll grow
