

Trent's A Mess

Rufus

Pick apart
The pieces of your heart
Let me peer inside
Let me in
Where only your thoughts have been
Let me occupy your mind
As you do mine

You have lost
(Too much sorrow)
To fear doubt and destroy
You just threw away the key
Don't get burnt
(Nothing gets strong)
It makes it easier
And much more difficult for me
To make you see

Love aint fair
So there you are
My love

Your heart deserves
You won't let me do it
It makes no sense
But this will still connect
Will you come here my dear
You come here my

Your heart deserves
You wont let me do it
It makes no sense
But this will still connect
Will you come here my dearest
Your heart deserves

Will you
Your heart deserves
Will you come here love
Your haunting us
You wont let me do it
It makes no sense
But this will still connect
Will you come here my deareset
