

Long Long Day

Rumer

It's been a long, long day
I got some run-down shoes
I got no place to stay
But any old place will be ok
'Cause it's been a long, long day

Goodnight
Goodnight, my love

I sure been on this road
For nearly fourteen years
Can't say my name's well known
You don't see my face in Rolling Stone
But I sure been on this road

Goodnight
Goodnight, my love

When I saw him standing there, I said
"Hey, there's a guy who needs a laugh"
That's what I said to myself
What the hell? We're both alone
And now I'm standing here in the corner
Shooting to kill

It's been a long, long day
I sure could use a friend
Don't know what else to say
I hate to abuse an old cliché
But it's been a long, long day
It's been a long, long day
