```
at the horizon's end
the dark edge of life
behold the abyss heart
flames tear my soul apart
...apart
```

the last step on earth in darkness i will rebirth travel thru time and space beyond this human race ...race

a journey... in infinite spheres on wings... of triumph a journey... beyond the horison's end departure... away from this... PAIN!

memories of twisted faces morbid voices in a race they fade away as i travel away ...away

the last step on earth in darkness i will prevail a ruler of time and space beyond this human race ...race

at the horizon's ned...
