

## Dark necroshadows

Runemagick

The shadow falls  
Feel the presence of death  
The reaper calls  
Feel your last breath  
Dark necroshadows  
Coming for you  
Nocturnal claws  
You are in the grip of death  
The reaper jaws  
Smeared in your blood  
Dark necroshadows  
Coming for you  
Come to the shadows  
Come to the reaper  
Come to your death  
Dark necroshadows  
Coming for you
