

Hate The Way

Runner Runner

It's the middle of night
I don't wanna fight
So shut up and drive to me
Let's make it right
I'll leave on a light
Maybe this time you'll see
You're taking it all out on me...

(Chorus)

(Whoa oh, whoa oh)
You're a drama queen
(Whoa oh, whoa oh)
You're a princess too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you

Monday, you're rad
Tuesday, you're sad
Wednesday, you're mad at me
Why be a bitch? And play hard to get?
Where's my apology?
Don't turn around
Keep going down
Down this road you're taking

Stop taking it all out on me
Always taking it all out on me

(Chorus)

(Whoa oh, whoa oh)
You're a drama queen
(Whoa oh, whoa oh)
You're a princess too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you

It's the middle of night
I don't wanna fight
So shut up and drive to me
Let's make it right
I'll leave on a light
Maybe this time you'll see
You're taking it all out on me

(Whoa oh, whoa oh)
You're a drama queen
(Whoa oh, whoa oh)
You're a princess, too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you

Monday, you're rad
Tuesday, you're sad
Wednesday, you're mad at me
Why be a bitch
And play hard to get?
Where's my apology?
Don't turn around
Keep going down
Down this road you're taking

Stop taking it all out on me
Always taking it all out on me

(Whoa oh, whoa oh)
You're a drama queen
(Whoa oh, whoa oh)
You're a princess, too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you

(Whoa oh, whoa oh)
You're such a drama queen
(Whoa oh, whoa oh)
You're a princess, too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you
I said I hate the way I'm falling

I hate the way
(Falling)
I hate the way
(Falling)

You're a drama queen
(Whoa oh, whoa oh)
You're a princess, too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you

(Whoa oh, whoa oh)
You're a drama queen
(Whoa oh, whoa oh)
You're a princess, too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you

(Whoa oh, whoa oh)
You're such a drama queen
(Whoa oh, whoa oh)
You're a princess, too
(Whoa oh, whoa oh)
And somewhere in between
I hate the way I'm falling for you
I said I hate the way I'm falling for you

All right
