

# I Can't Wait

Runner Runner

The way you curse when we're in traffic  
A million flavors of your chapstick  
The way that you keep my heart captive

The Journey concert in AC  
Remember we sang faithfully?  
I still got that old hotel room key

This is the way I feel

'Cause I can't wait for you to be my wife  
To live this life together  
And I won't let you go  
I need you to know  
That you are my heart, forever  
And on and on and on

The way you like to sing my songs  
You always know when something's wrong  
The way you say you miss me when I'm gone

The things you do that show you care  
You're always down for truth or dare  
Freeze this moment; let me stop and stare

Nothing before was real  
This is the way I feel

And I can't wait for you to be my wife  
To live this life together  
And I won't let you go  
I need you to know  
That you are my heart, forever  
And on and on and on  
And we'll go on and on and on

For better or for worse  
No matter how it hurts  
You've got me to hold your hand  
I promise you the world  
In your wedding dress  
We'll dance till no one's left  
Don't wanna blink my eyes  
Don't wanna miss a thing

I can't wait for you to be my wife  
To live this life together  
And I won't let you go  
I need you to know  
That you are my heart, forever

And I can't wait for you to be my wife  
To live this life together  
And I won't let you go  
I need you to know  
That you are my heart, forever  
And on and on and on

And we'll go on and on and on
