

## No 2 Ways

Runner Runner

You've got to let it show  
Don't hide the fire in your eyes  
I'm tryin to get you close  
Your moves are bringin me to life

I am a freak of nature  
We could be more than strangers

Reach out and touch me baby  
Ya know you wanna dance like we're alone

Heres how it goes:

WE GET WHAT WE WANT and there's no 2 ways about it  
Like a freight train hurricane  
Can't get around it  
I'm gonna fall through the cracks  
I'm gonna drag you down with me  
Like a freight train, hurricane can't get around it  
NO 2 ways about it

We want to let it happen  
We want to feel it overflow  
You and me tangled with attraction  
Get caught, in the undertow

Cause you are a freak of nature  
We should be more than strangers

WE GET WHAT WE WANT and there's no 2 ways about it  
Like a freight train hurricane  
Can't get around it  
I'm gonna fall through the cracks  
I'm gonna drag you down with me  
Like a freight train, hurricane can't get around it  
NO 2 ways about it
